# CURSED PRINCESS CLUB

My name is Gwendolyn,  
and I love making things,  
whether it's paintings,  
dresses, or desserts.

The princes of the Plaid Kingdom are coming soon for tea, so I thought I'd bake some pies for the occasion.

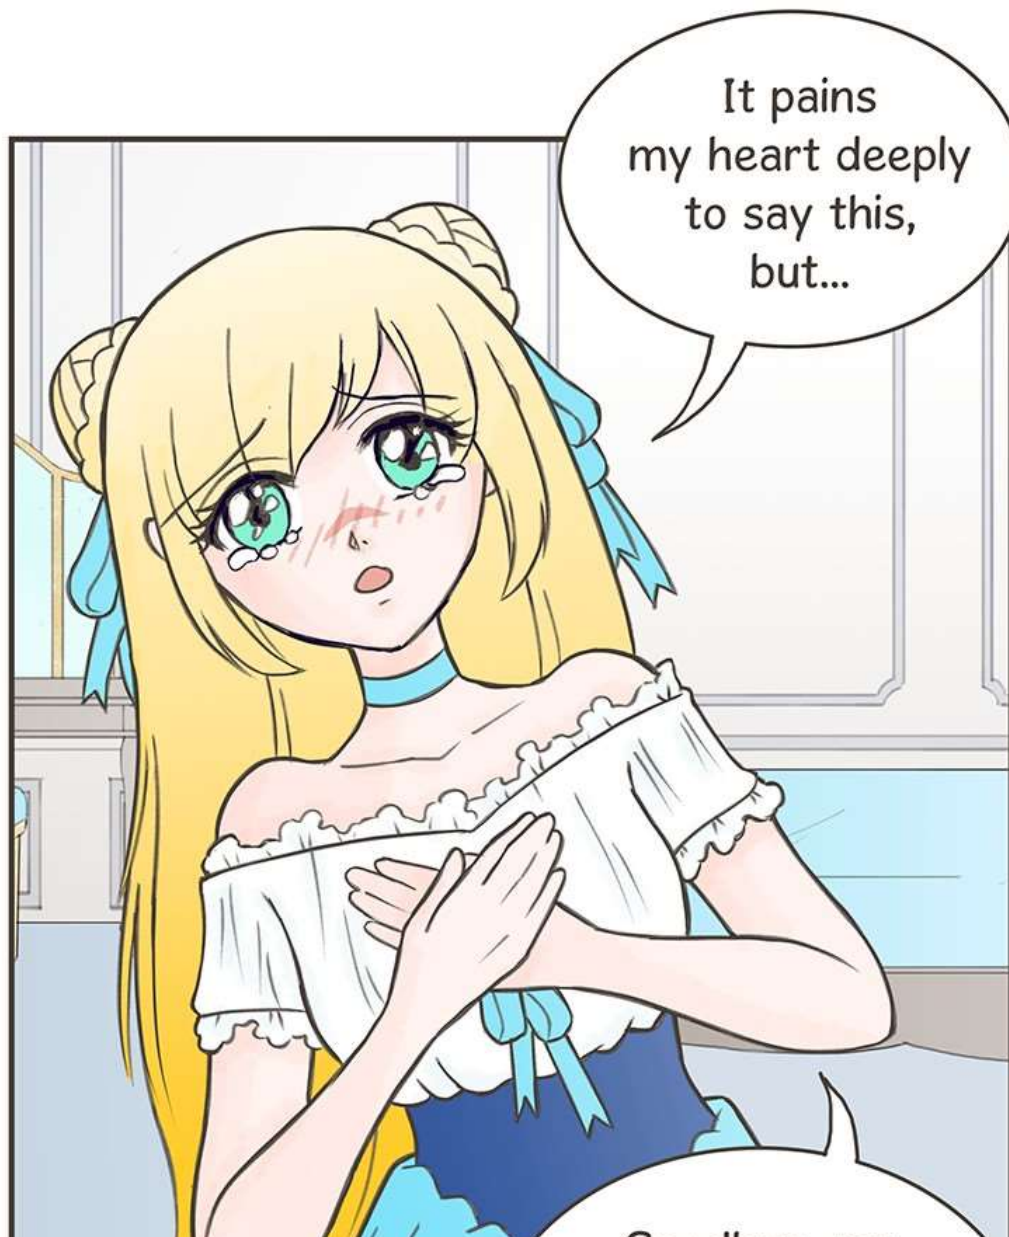

All that's left is to  
bake them for 40  
minutes until the  
crusts are golden  
brown!

I wonder how  
Maria and Lorena  
are preparing for  
the princes...

In Maria's room...

Goodbye, my  
first love. I'll never  
forget how much  
you've touched  
my soul...

My sweet,  
brilliant  
Bozart.

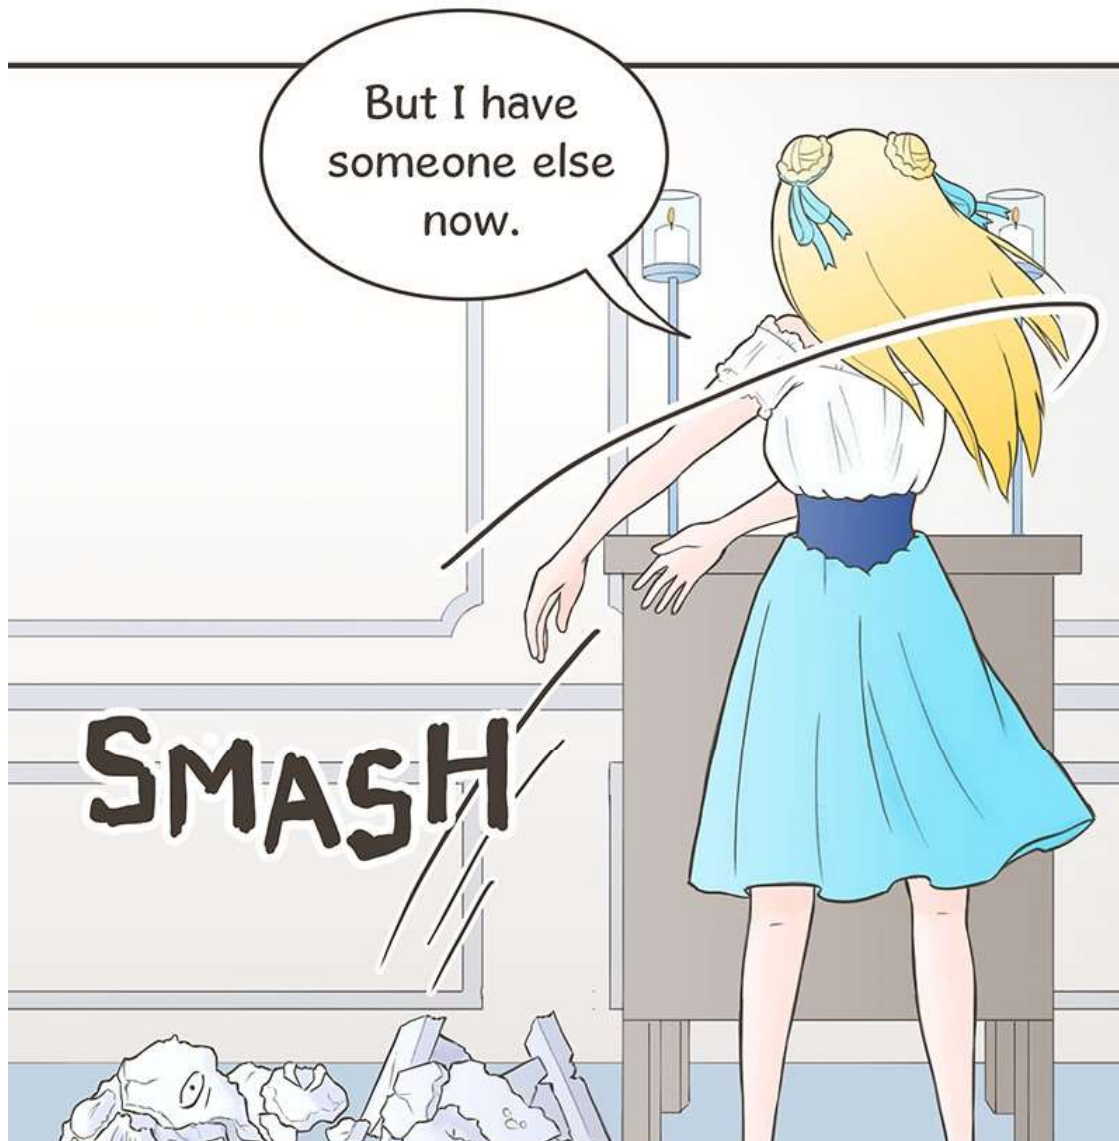

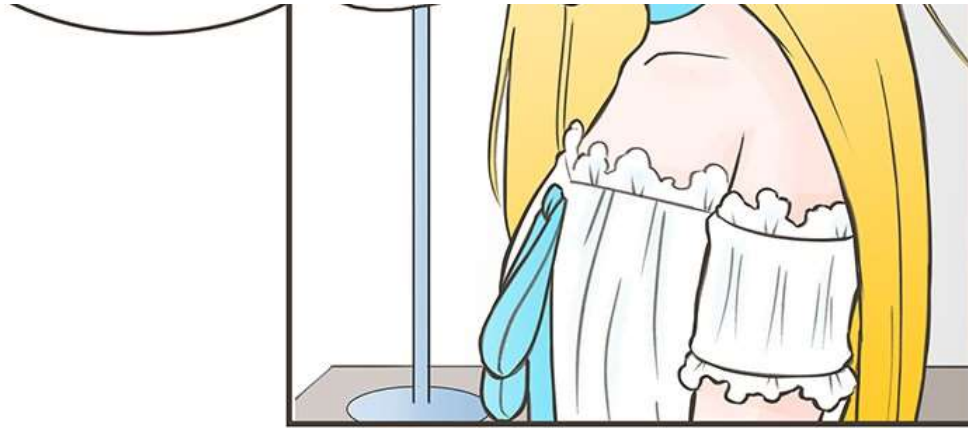

I have so many  
wonderful memories  
of nights spent  
alone with you,  
humming your songs  
while stroking your  
marble cheek.

But I have  
someone else  
now.

**SMASH**

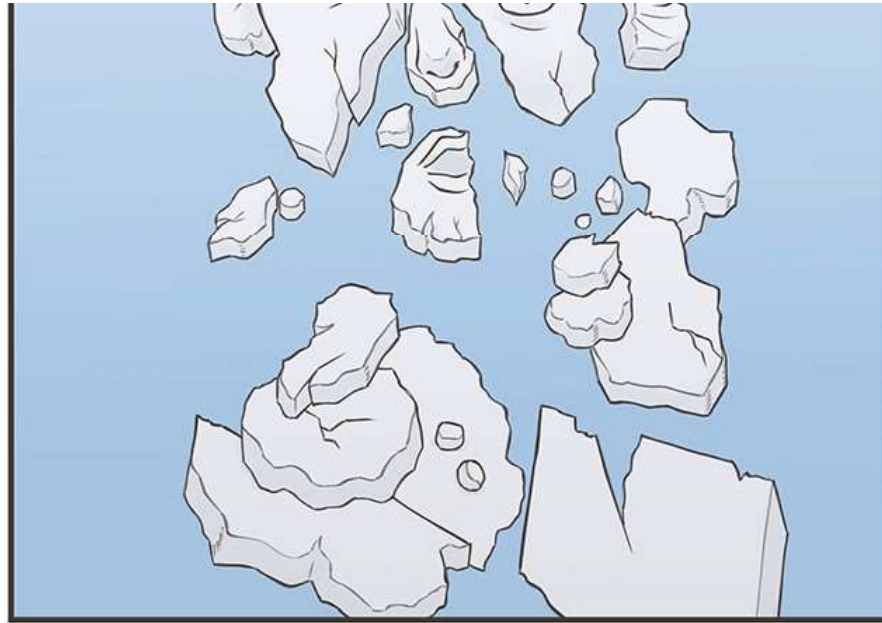

They could  
meet us and  
decide they don't  
want to marry us  
after all...

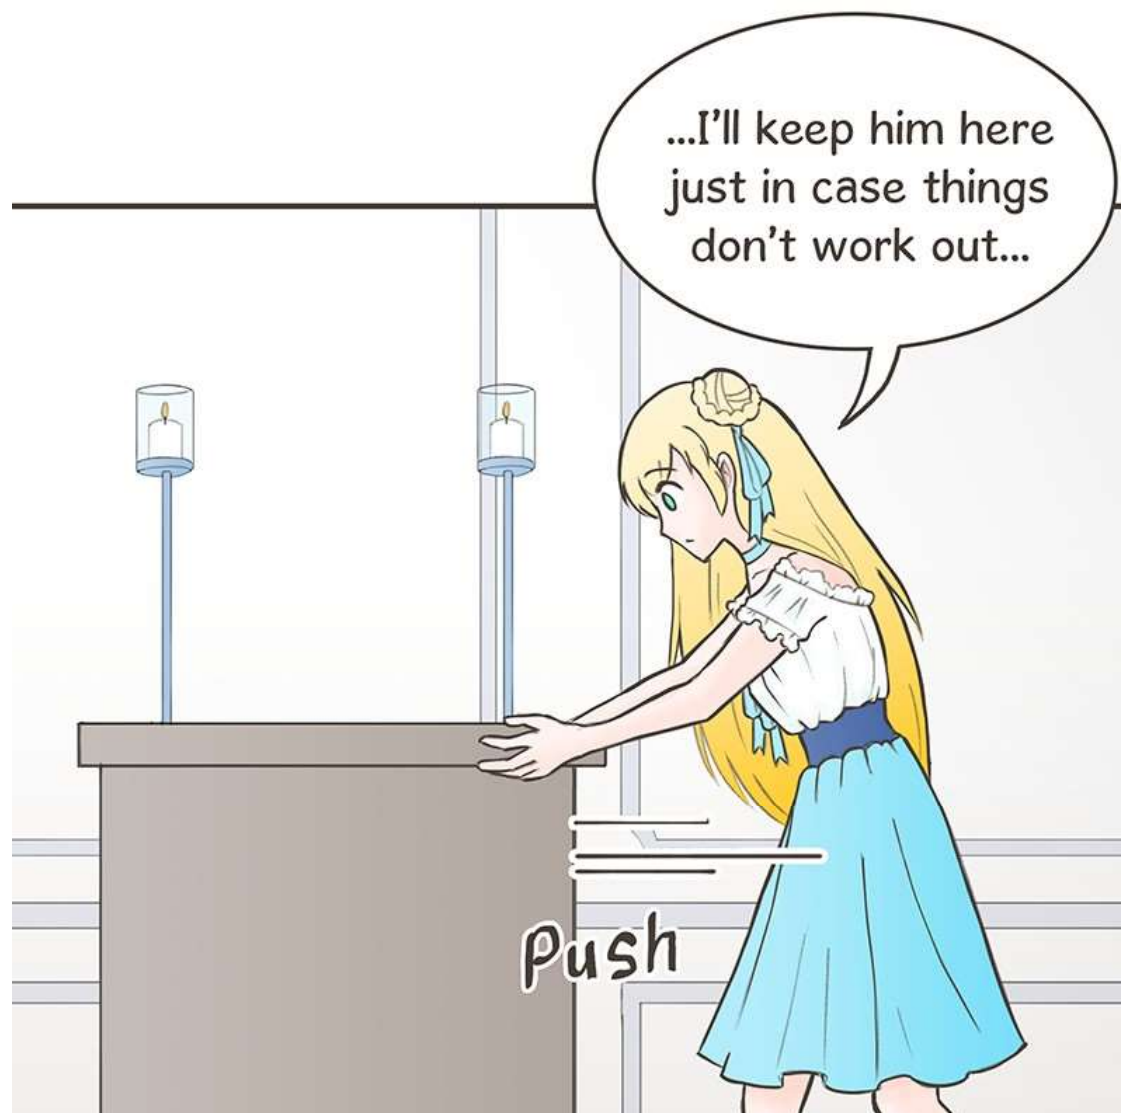

Well, as the  
eldest sister, I'll  
just have to make  
sure that doesn't

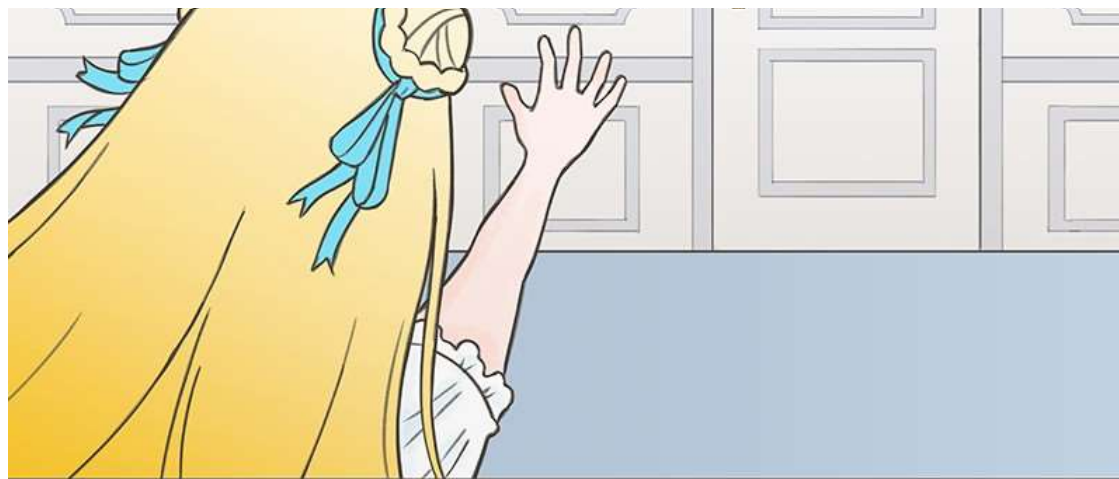

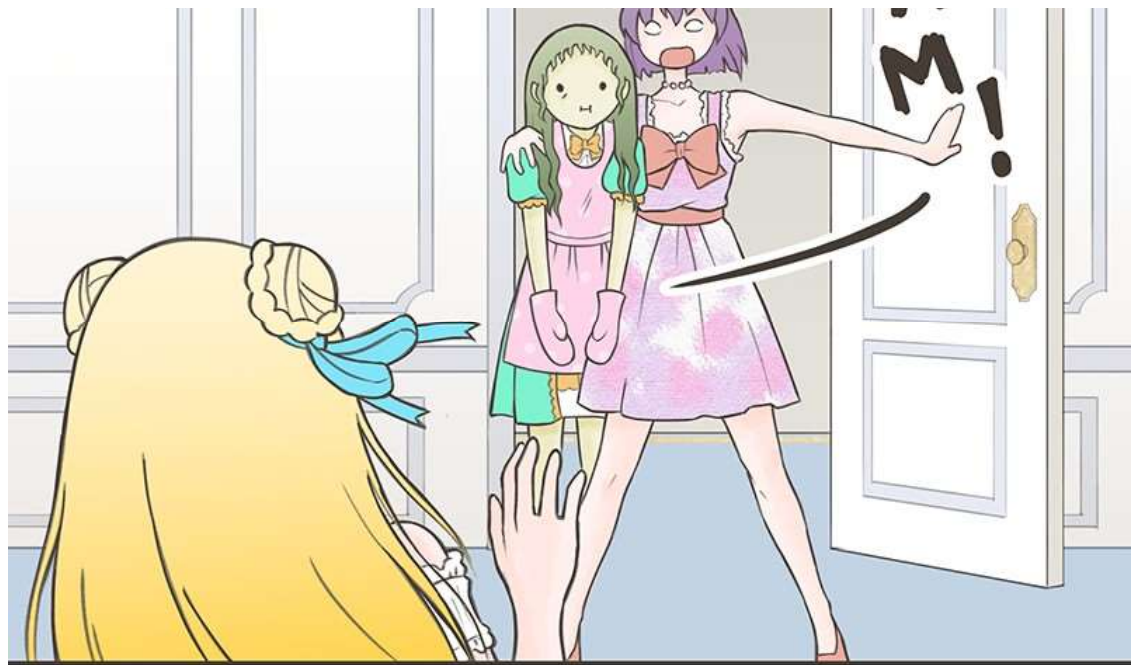

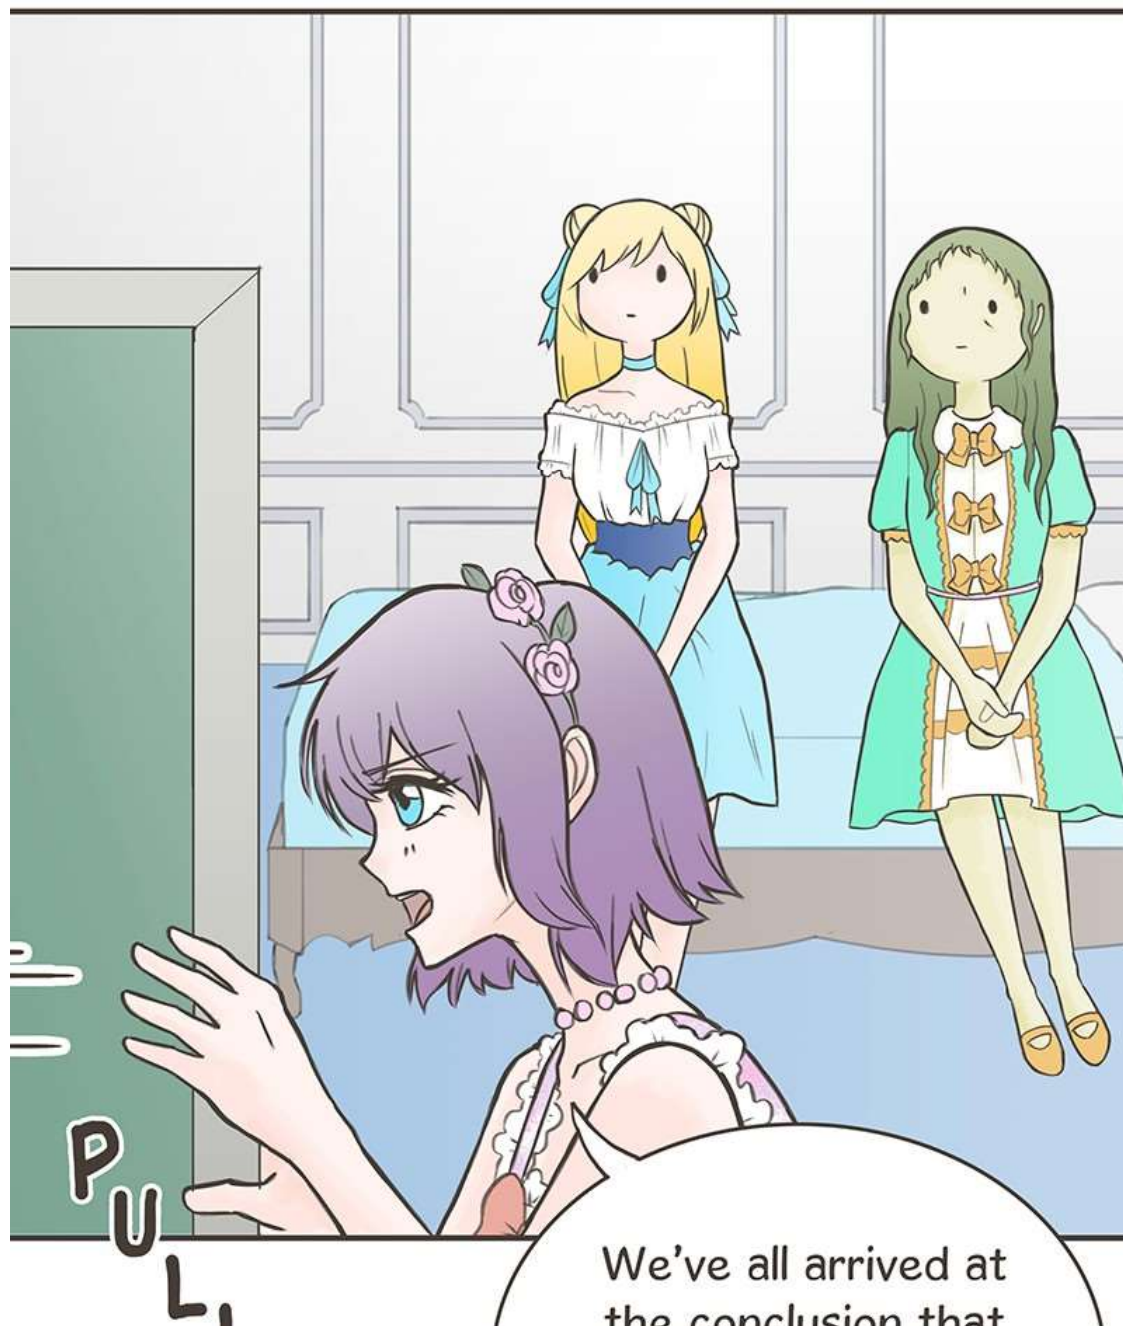

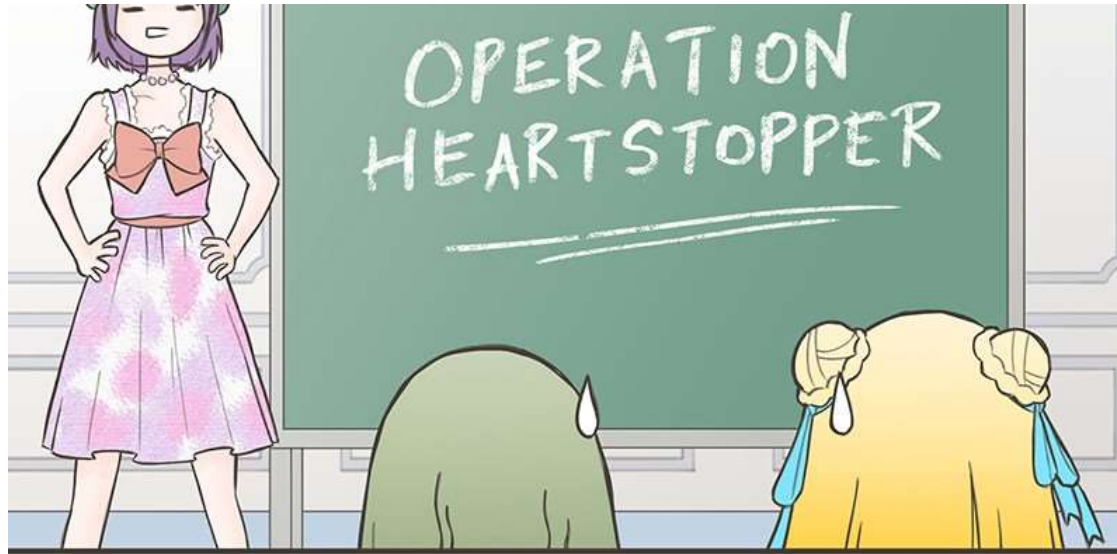

L

the conclusion that  
we need to make a  
**great** impression on  
the princes.

That's why I,  
the military genius of the  
family, have devised a  
three-pronged offensive  
strategy that will ensure  
our conquest.

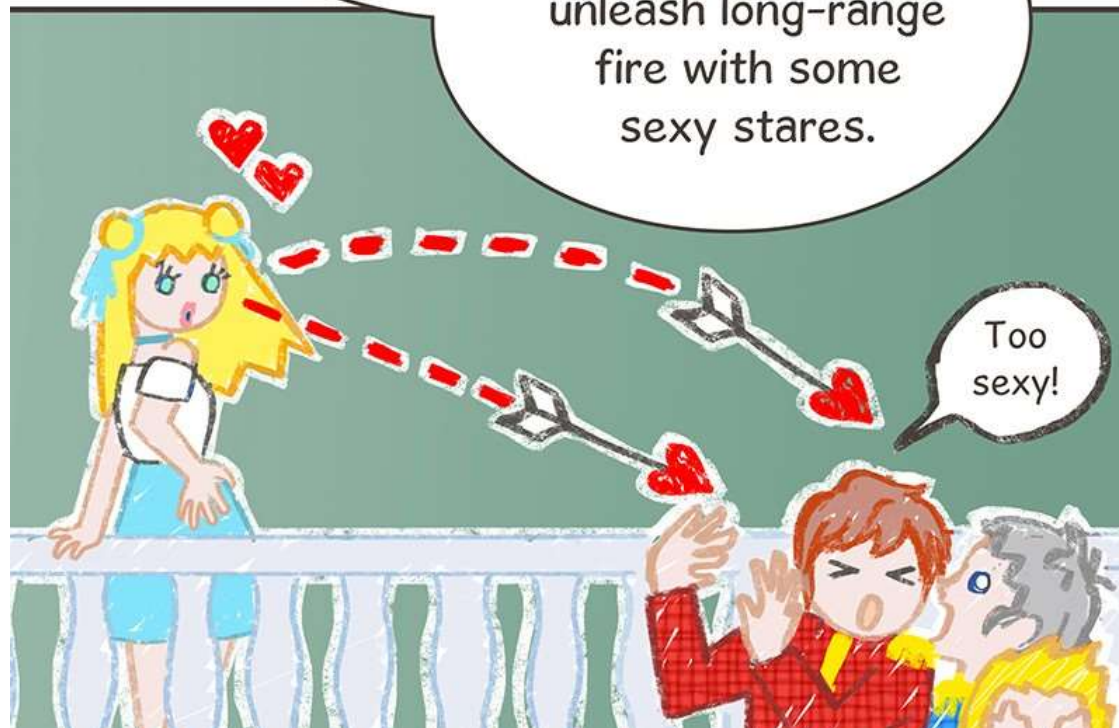

Here's how  
it goes:

## Phase #1:

When the princes  
arrive, we'll enter from  
the balcony with the  
advantage of high  
ground,

and Maria will  
unleash long-range  
fire with some  
sexy stares.

My  
eyes!!

**Phase #2:**

Next, I'll  
confuse them with  
some psychological  
warfare.

Phase #3:

And lastly, Gwen  
will enter into  
close-range combat  
through a  
blitz attack

and tackle  
them into  
submission.

whee!

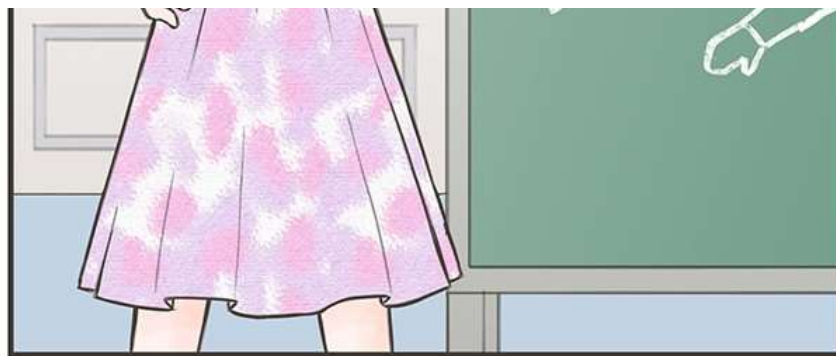

They won't know  
what hit 'em, but  
they'll be head over  
heels in love  
with us.

You see,  
according to all  
the latest

...But a good **bustle**  
will make them stay  
forever!

This could  
be our  
coup de grâce!

coup de grace.

Now, being the most  
fashion-forward sister,  
I already snuck out  
and bought the new  
*Cinderella's Secret*  
Fairy God Bustle™.

It's an  
architectural  
marvel that provides  
three levels of  
increased lift.

But you can  
pretty much stuff

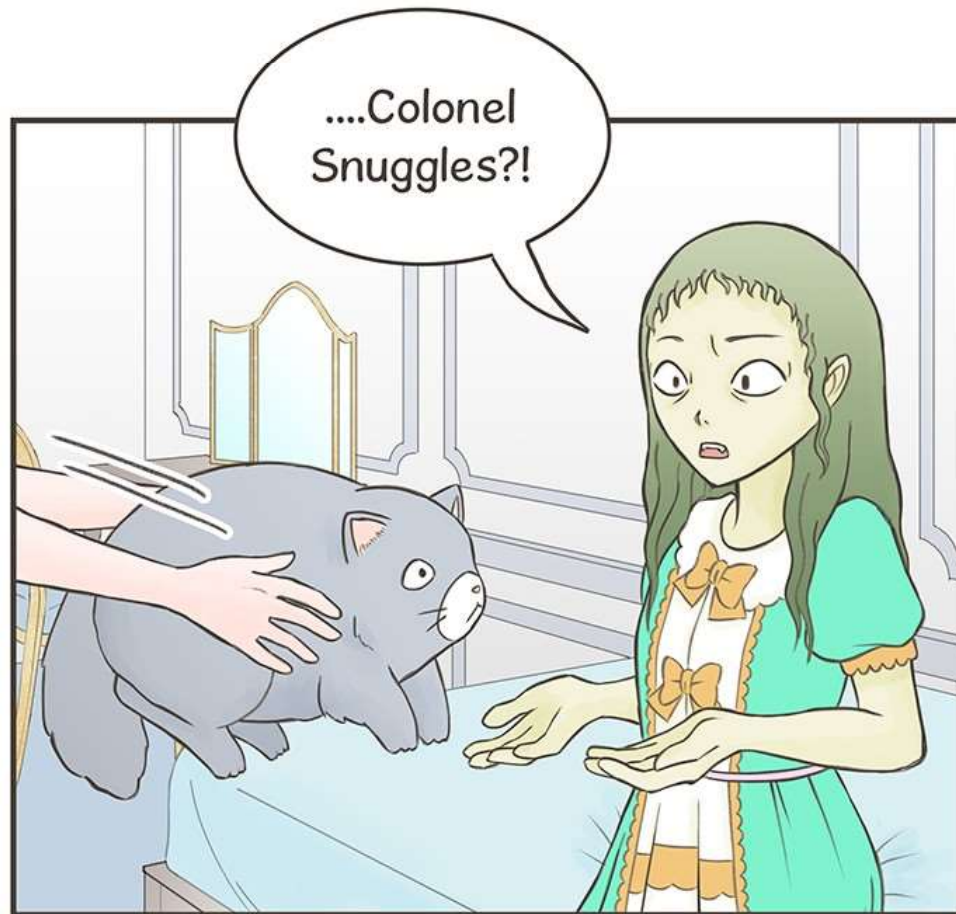

whatever you like  
up there.

No need to  
overthink it.

...A lamp  
shade?

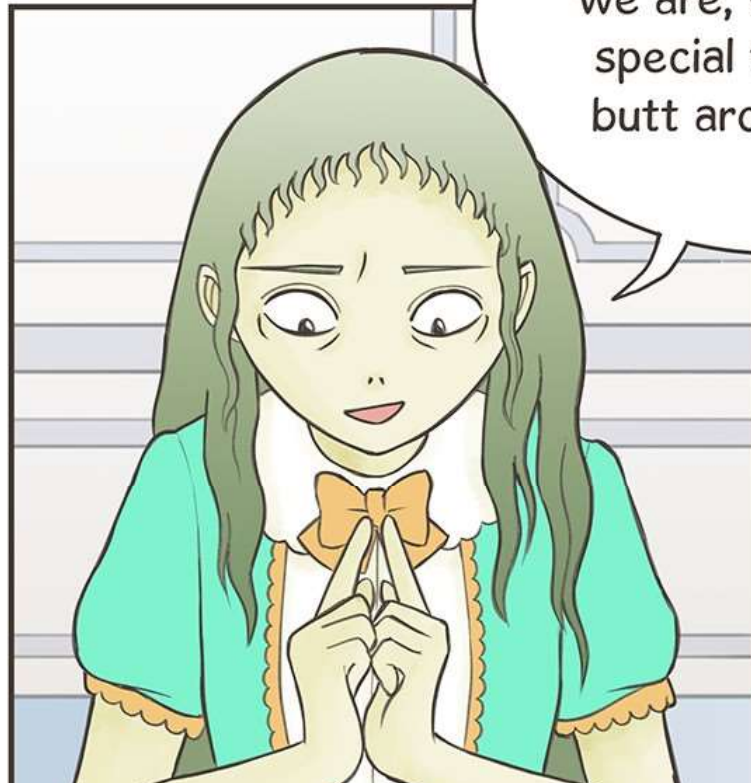

All right! Now  
let's give them  
a try!!

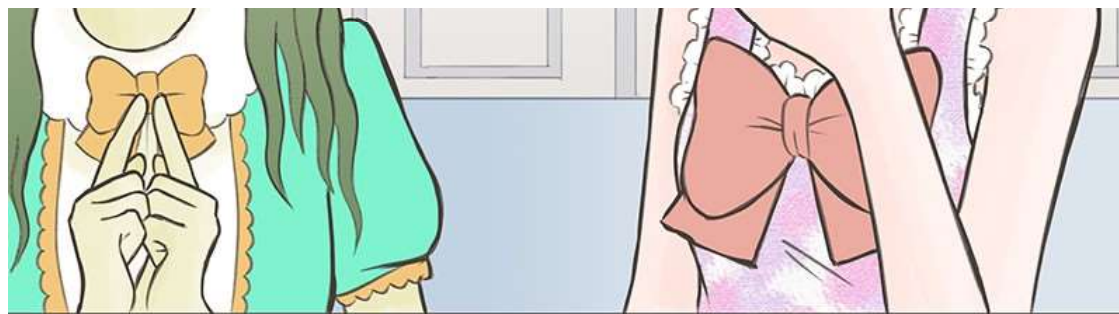

I appreciate all the  
effort you guys are  
spending to make sure  
the princes like  
us, but...

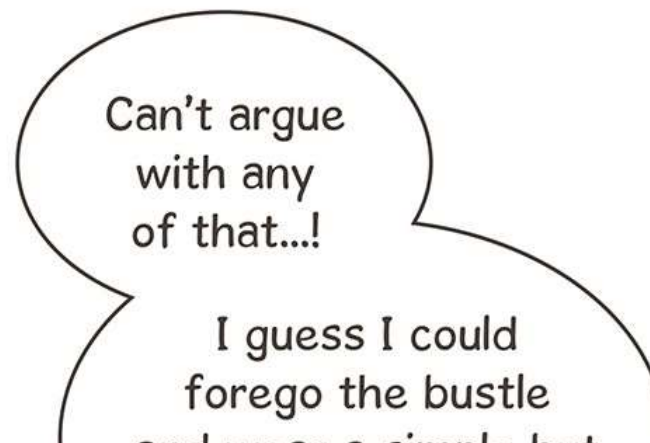

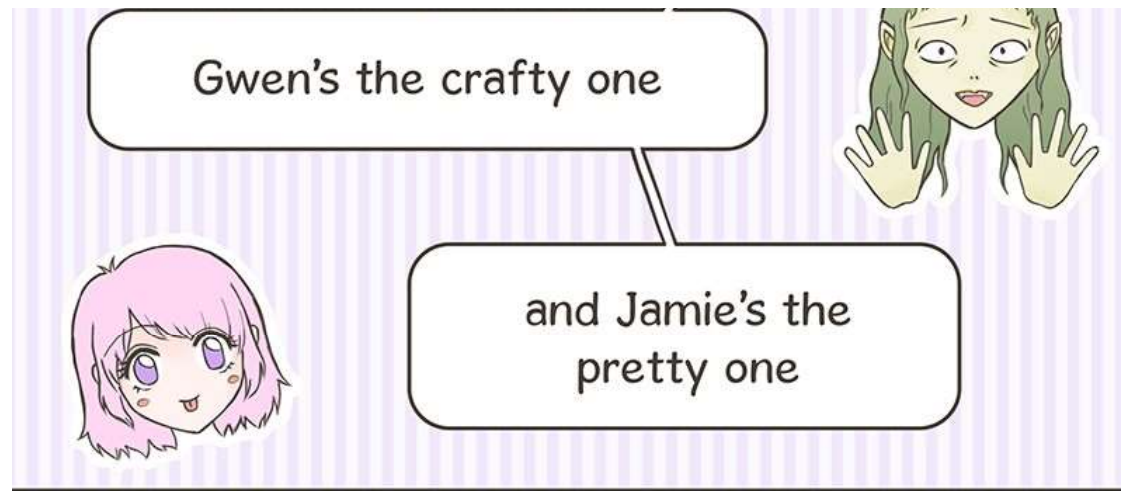

I think we're fine as  
we are, without any  
special tactics or...  
butt architecture...

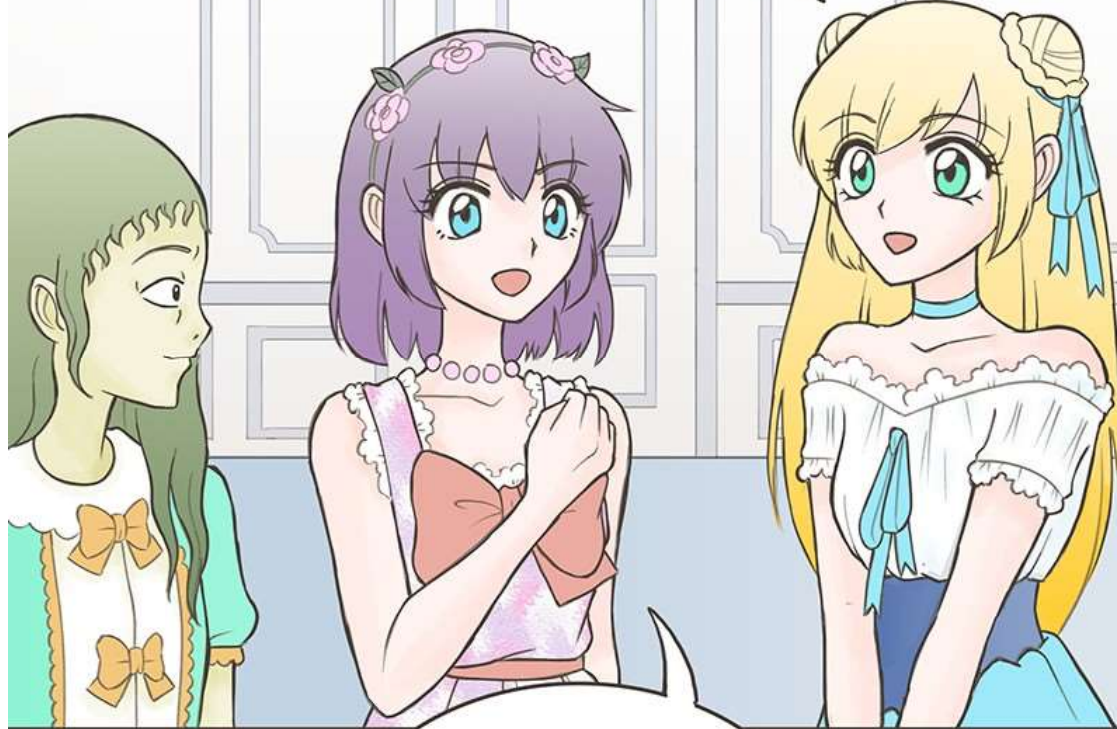

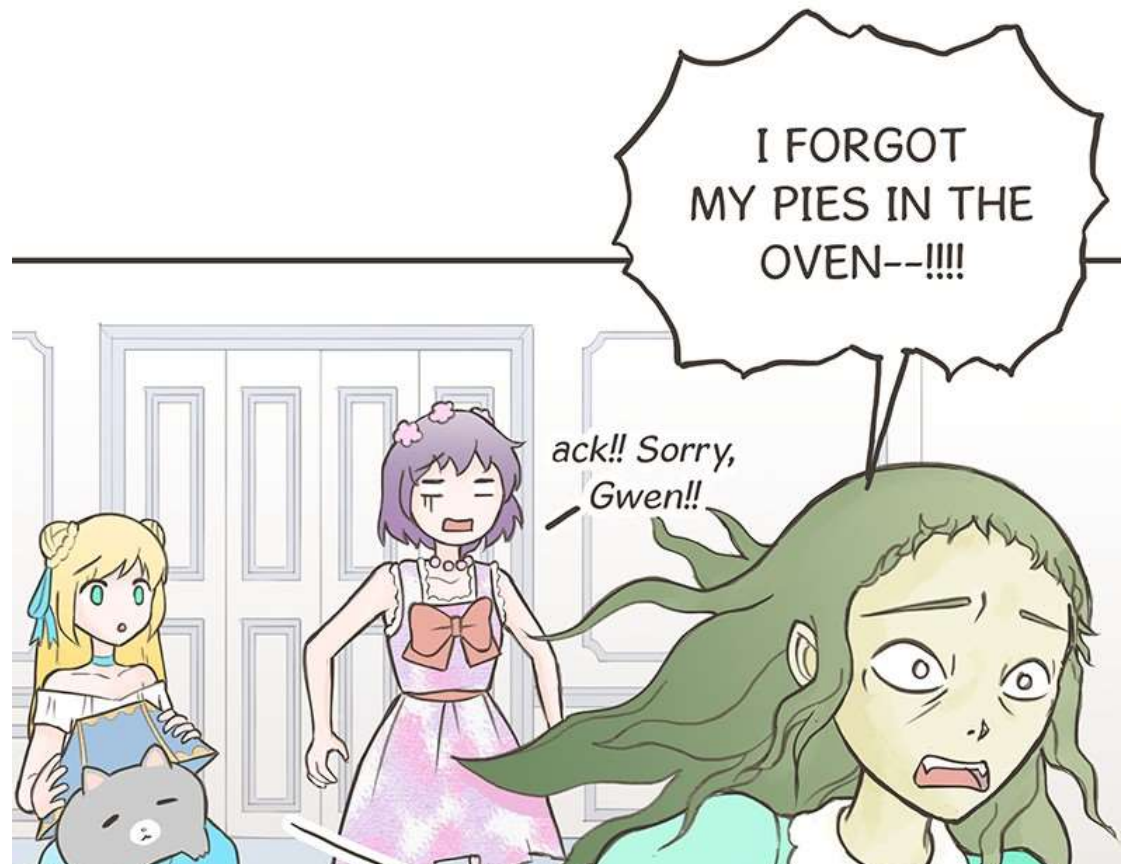

and wear a simple but  
elegant dress  
instead.

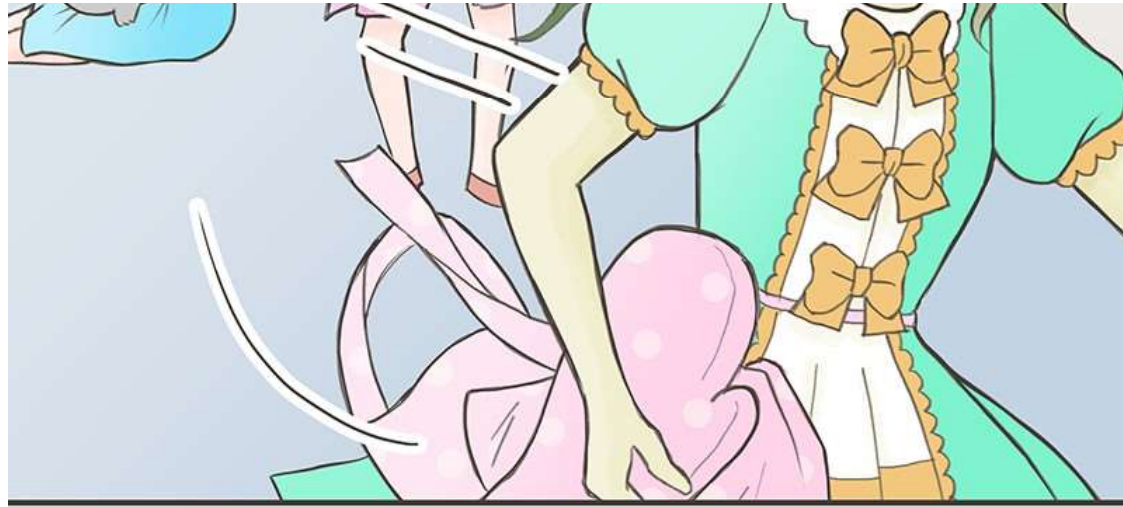

Maybe I'll  
just go for a  
run to calm my  
nerves.

It was at least a happy ending for Colonel Snuggles, who was no longer in danger of being stuffed up a skirt.
