Come on. The lil' dude was only born like a moment ago. Give him a minute. I also have a feeling that not all the prophecies are suppose to be accurate to the letter. First of all, how are these prophecies even created? How accurate are they?

A man asked God to give him A Flower and a Butterfly. But God gave him a Cactus and a Caterpillar. The man asked God why He gave a Cactus and a Caterpillar and not the one he wanted. After a few days, The cactus bloomed Flowers and the Caterpillar turned to a Butterfly. You see mermaids or... whatever, Those blue flowers are probably just buds. You have to wait. Afterall, The Prophecies don't tell every details on how you get smth. Be patient.
