# CURSED PRINCESS CLUB

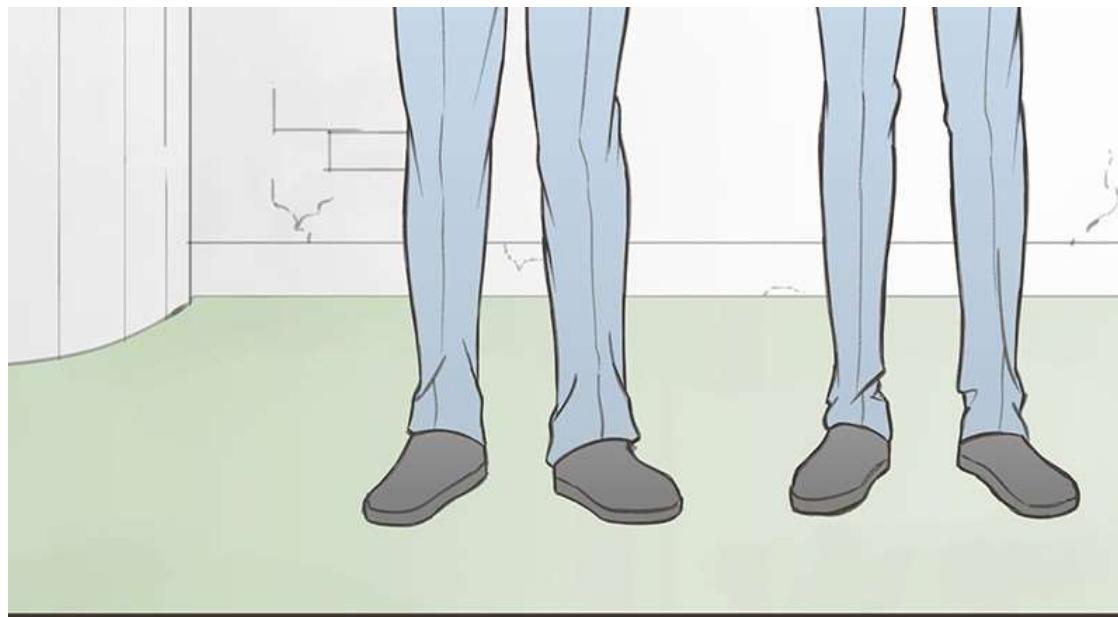

Sigh

Another boring  
day in the Pastel  
Kingdom...

I'm sleepy... Tell  
me something  
exciting you did  
last night, mate.

Hey! Being a guard  
for the Pastel Kingdom  
is *not* boring. It's

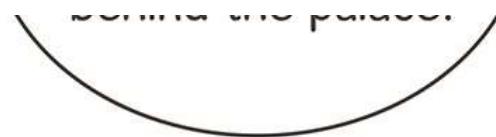

...and also no,  
I didn't do anything  
yesterday.  
I went to bed at 8.

Ya ever wonder  
about this ol'  
haunted forest

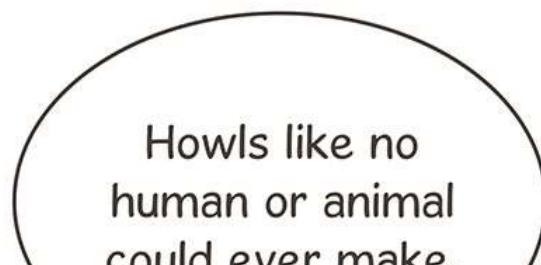

face this forest every  
other day, and I like to  
not be terrified of my  
job.

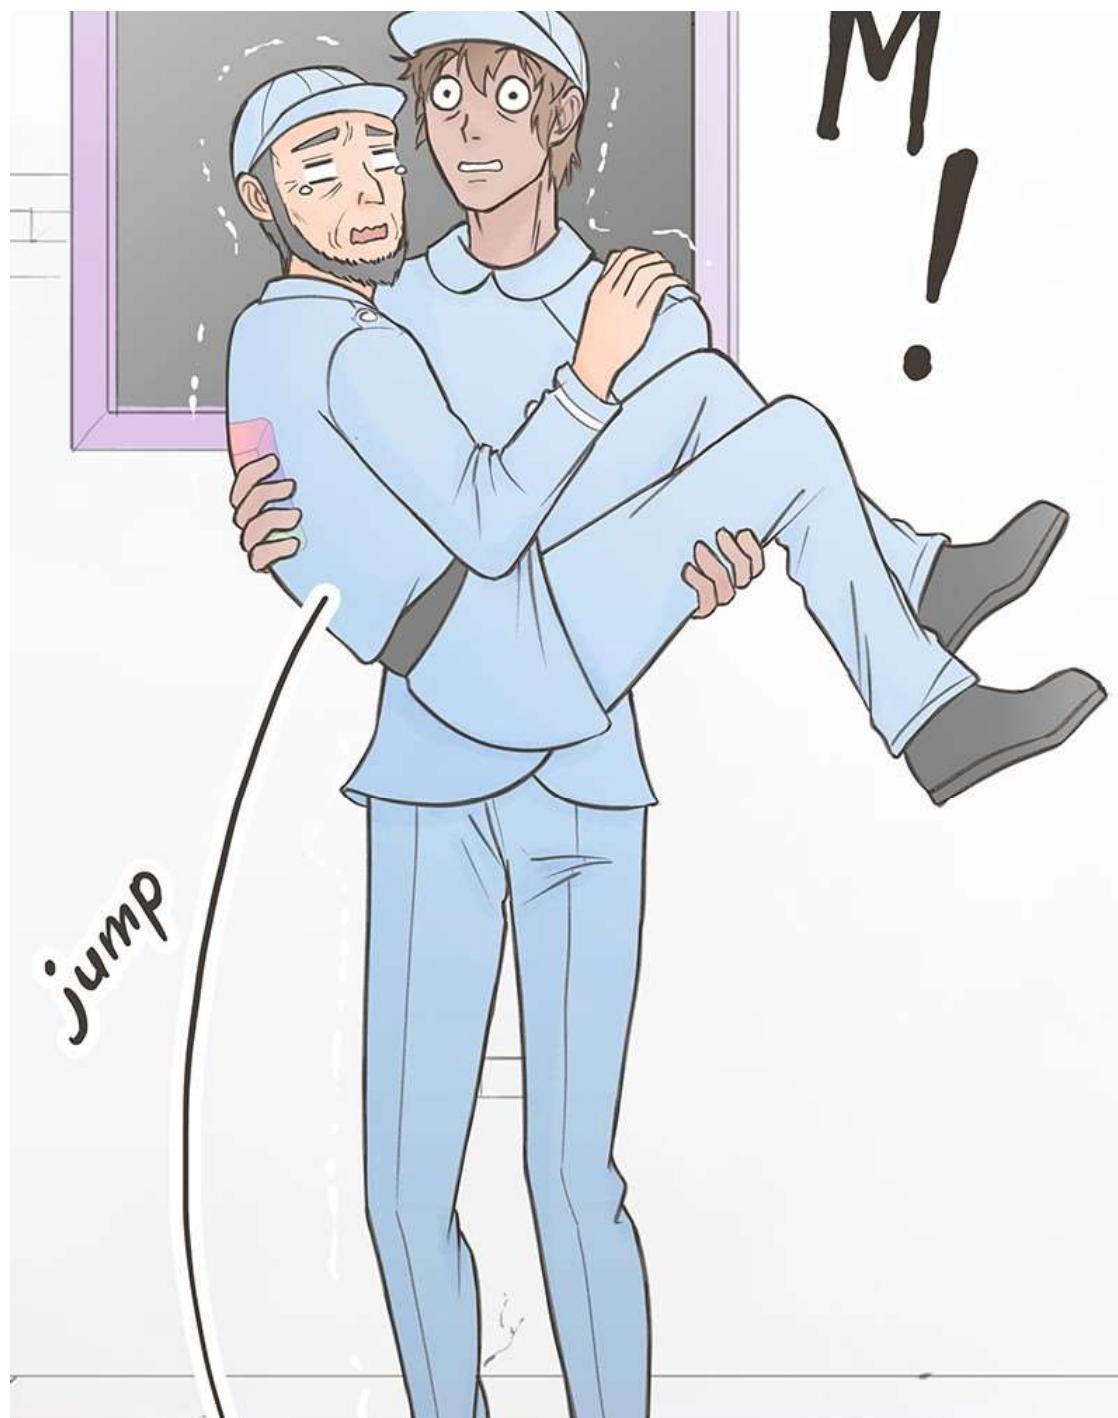

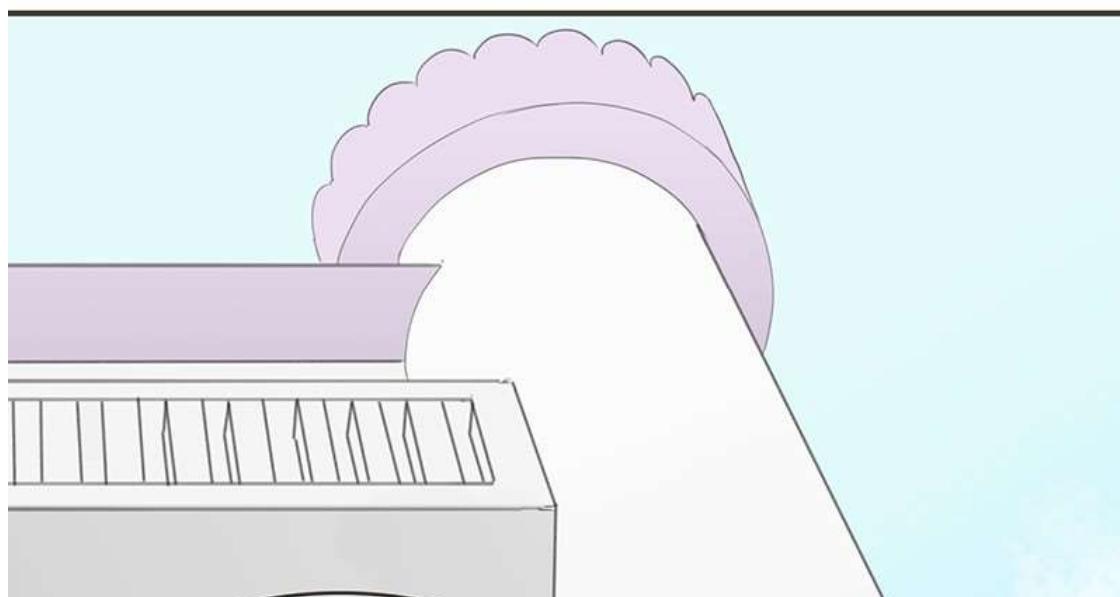

I heard rumors that  
once a month, in  
the middle of the night,  
a terrifying howl  
erupts from deep  
within the forest.

Howls like no  
human or animal  
could ever make

# SQUEAL!

Hunky prince  
husbands  
for everyone!!!

Girls, calm down!!  
There are still  
plenty of details to  
discuss

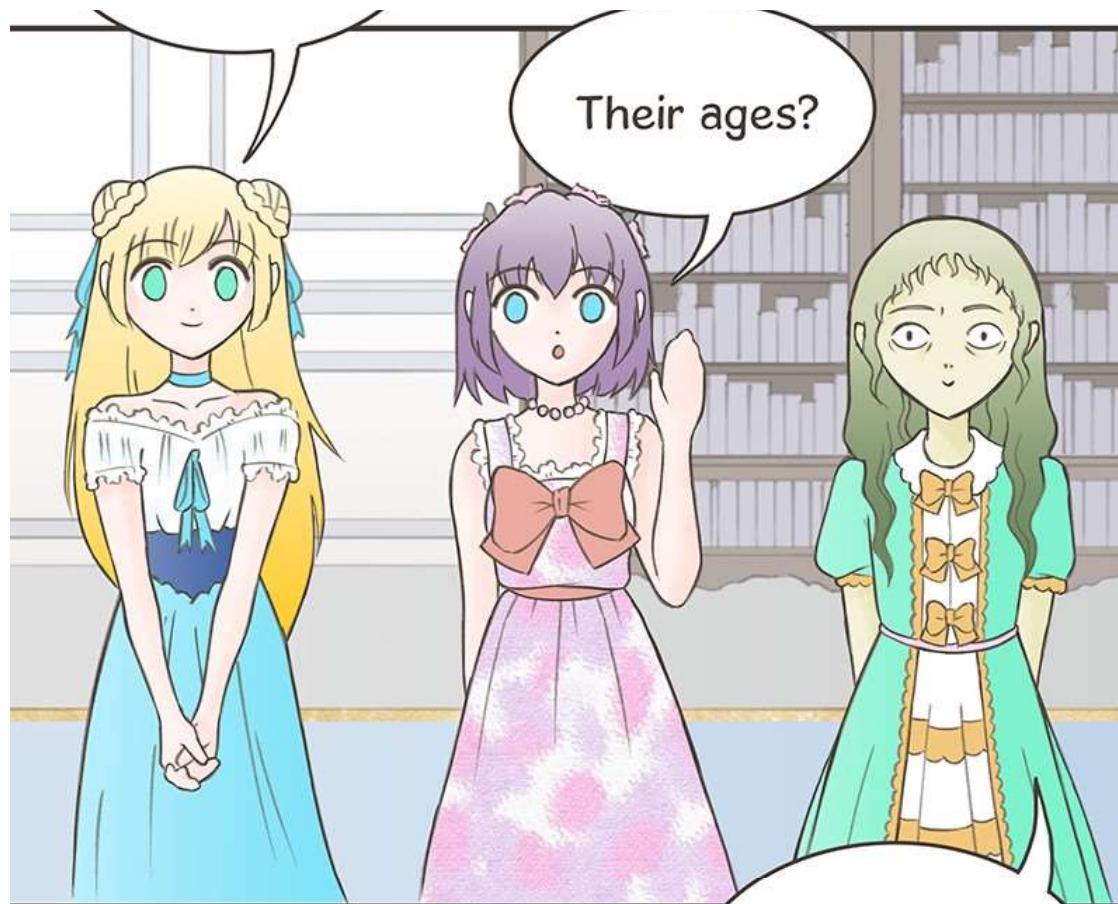

Oh, that's right.

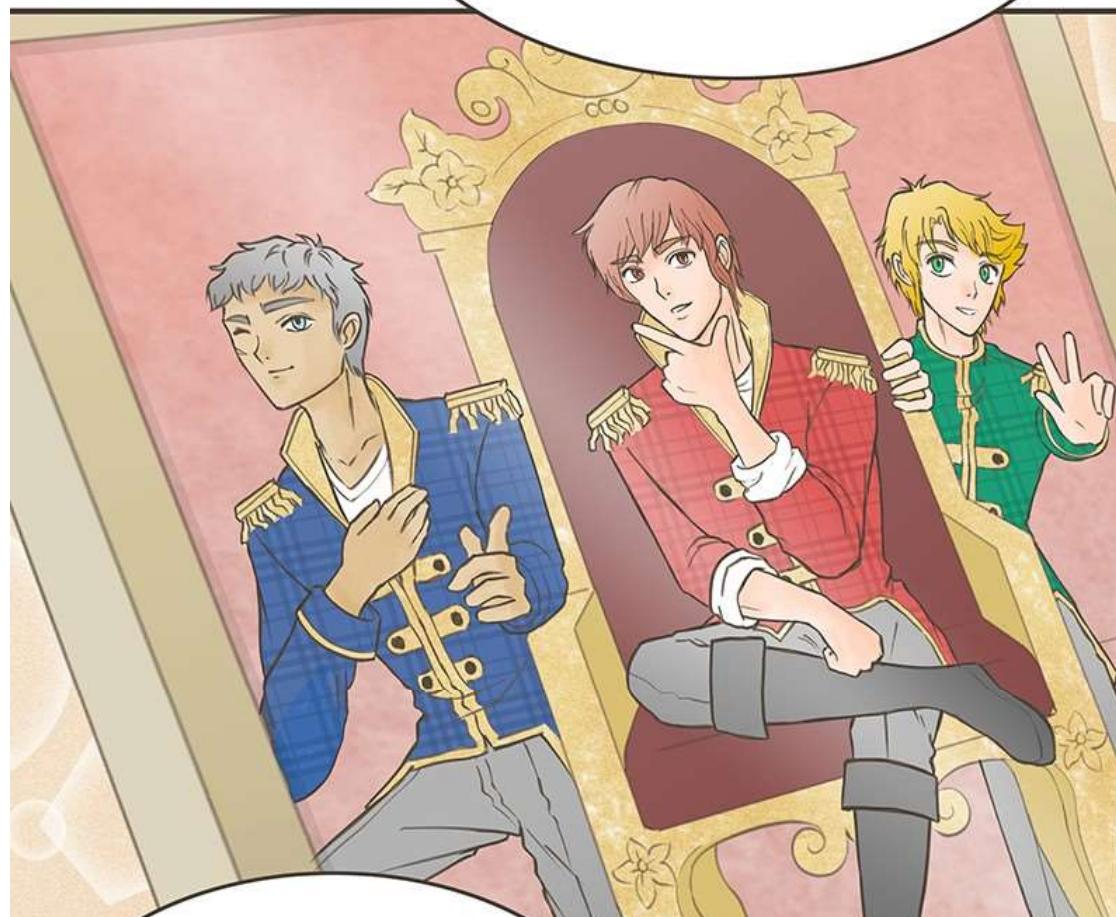

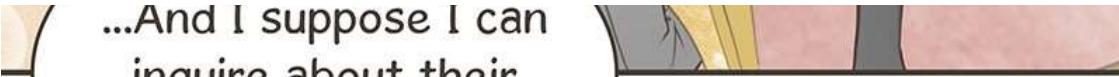

What are  
their names?

Are they a  
big spoon or  
little spoon?

Let's see... that's  
Lance on the left (age 19),  
Blaine in the middle (age 20),  
and Frederick on the  
right (age 17).

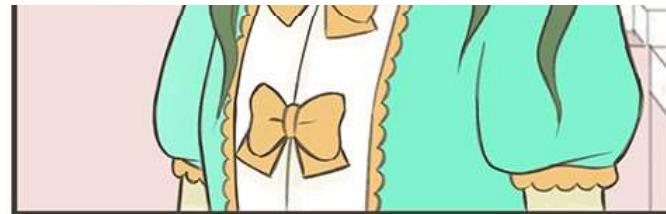

...And I suppose I can inquire about their silverware habits...

*though I don't know why that matters...*

If we're so close to the Plaid Kingdom, how come we've never heard of their sons?

Their father is  
a man I know I can  
trust with my life.

Do the princes  
know what we  
look like?

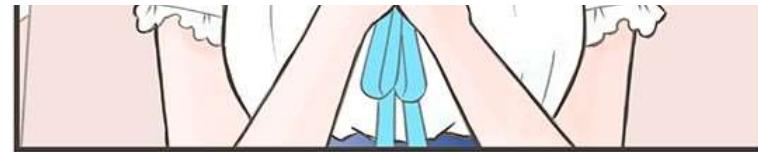

Yes. I sent them a portrait of all of you as well, and they wrote back saying:

*"Each daughter's beauty is nothing short of Elysian."*

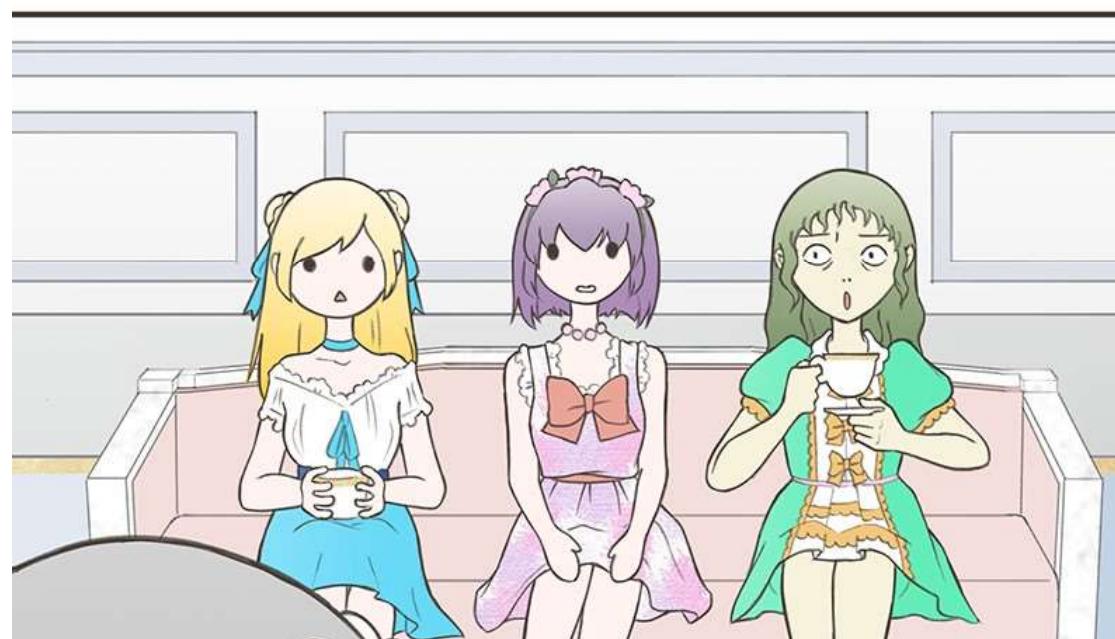

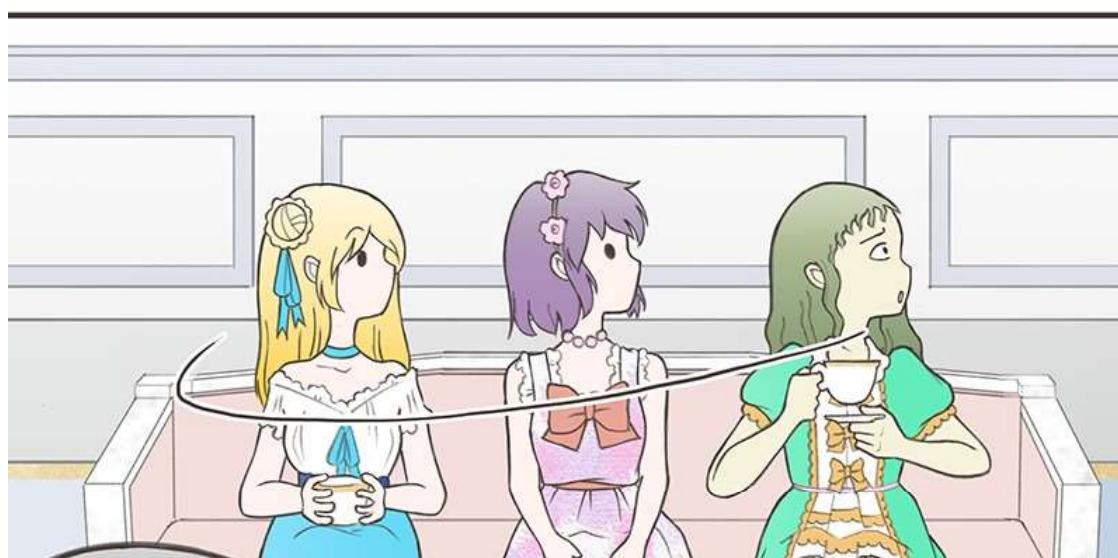

Ah, that's the  
best part of  
this surprise.

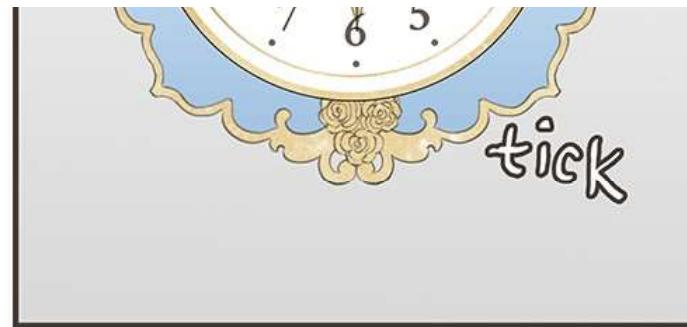

They're coming  
for tea today!  
At 2 o'clock!

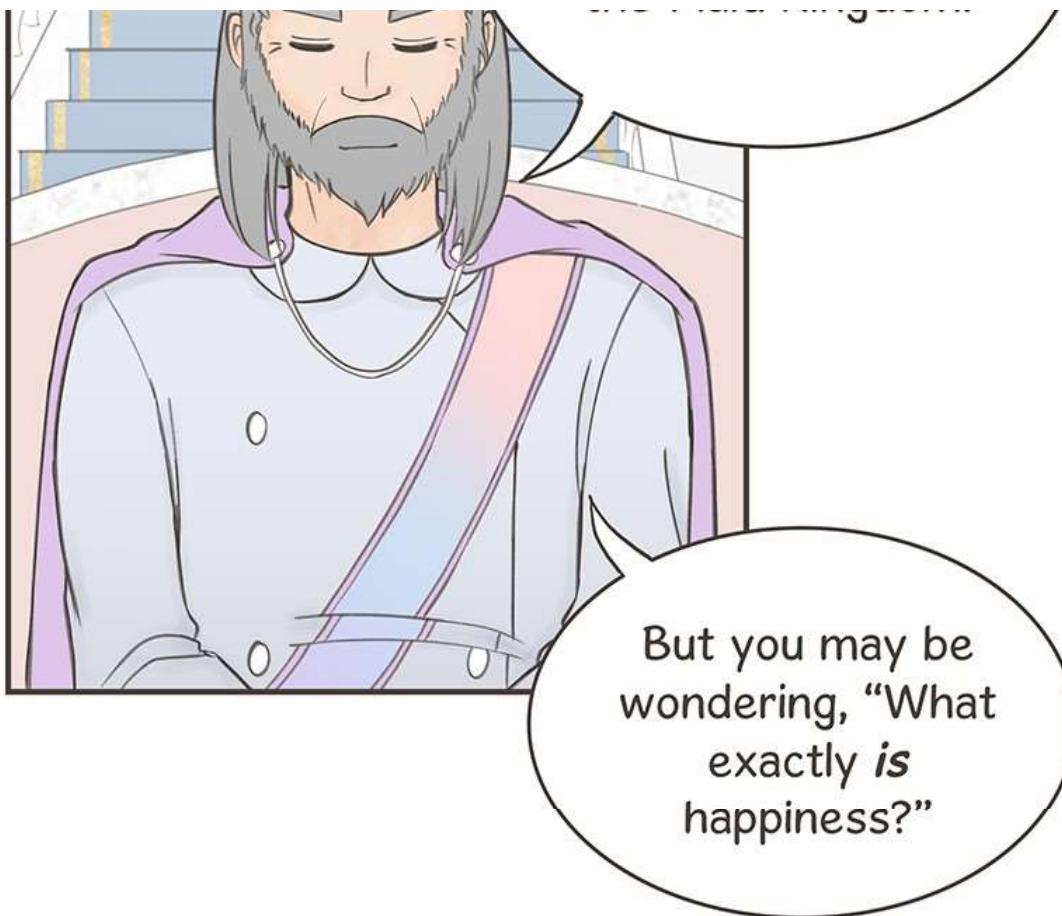

Now, my precious daughters, I want you to understand that your happiness and safety

is a million times more important than our relationship with

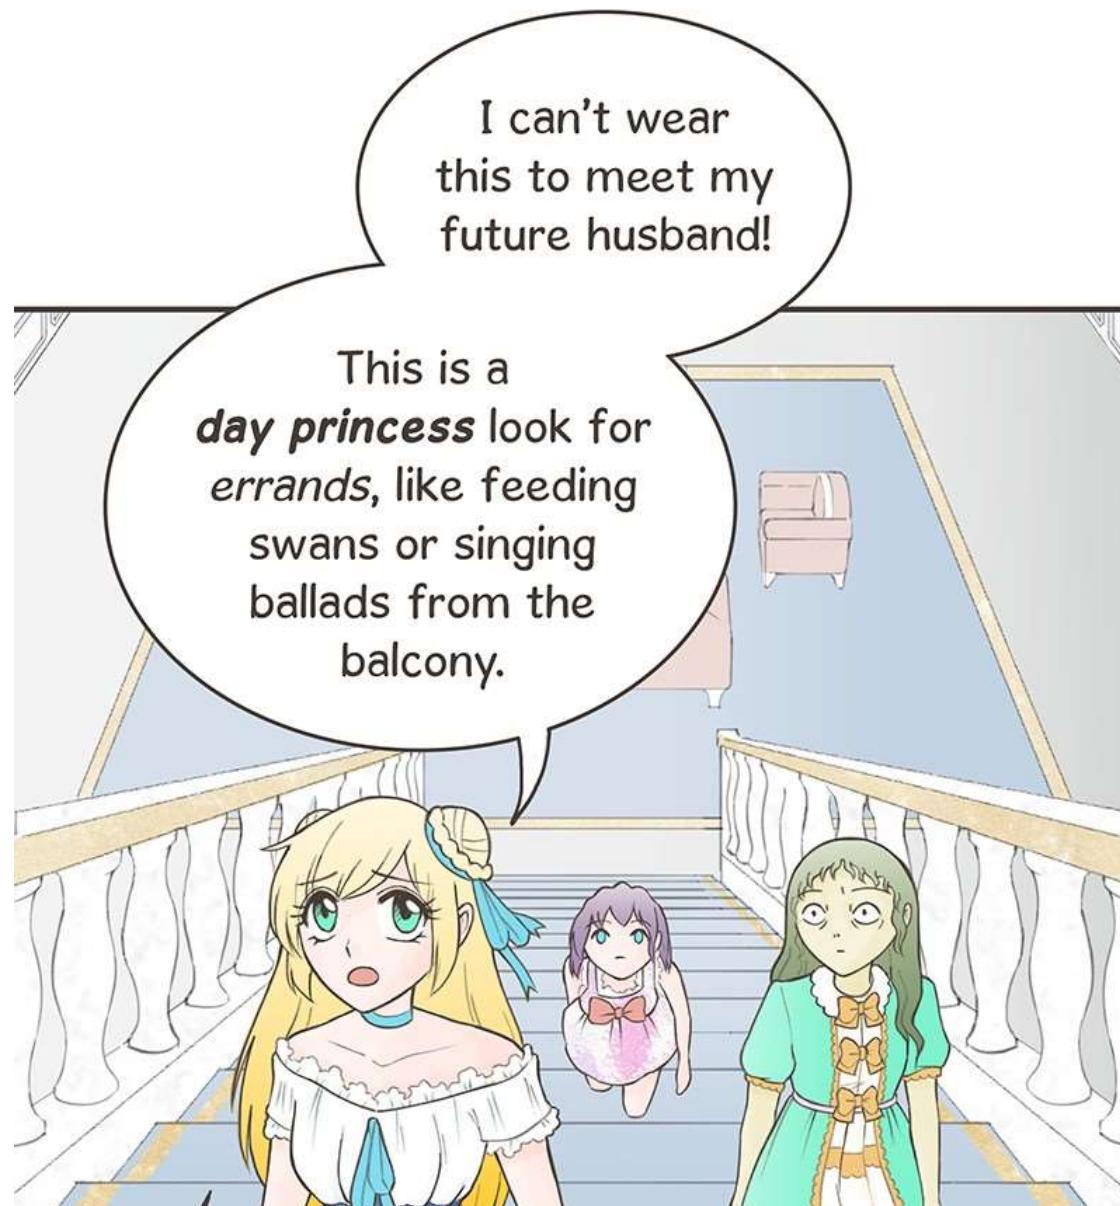

But you may be  
wondering, “What  
exactly *is*  
happiness?”

Let me repeat a short tale from my past in which I found myself at the junction between the wildest joys and the most perilous dangers...

I have to  
break out my  
evening gown!

Heyyy, could I get  
your birds to do  
my makeup?

*They're so much better  
at eyeliner than me...!*

Definitely!

*They really know how  
to slay a cat-eye!*

That's ok!  
I'll bring over some of  
my smaller gowns.  
Everything always  
looks lovely on you!

Back in the living room...

And after months of  
hardship, we finally

clam, and it proclaimed  
that

there are  
short naps and there  
are long naps. And  
true happiness lies  
somewhere in between.

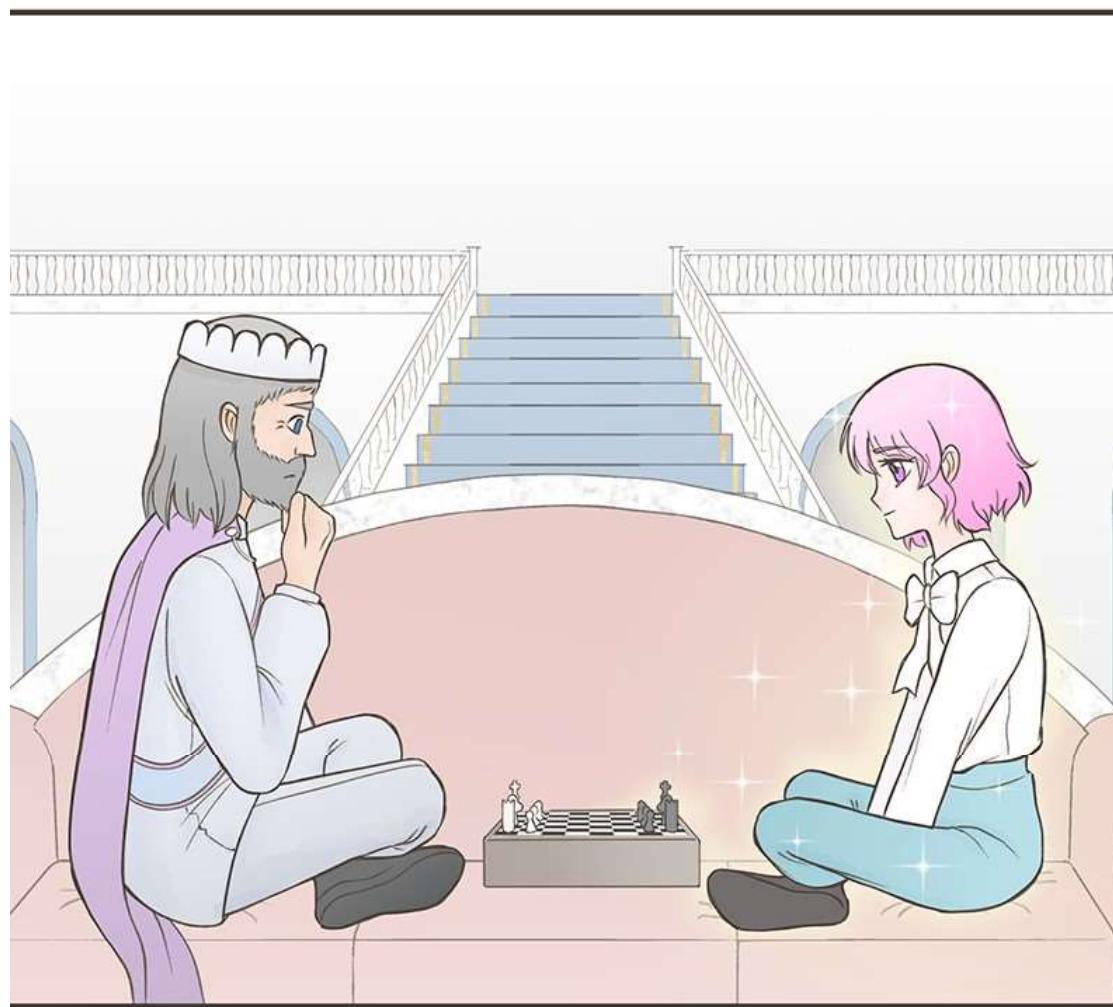

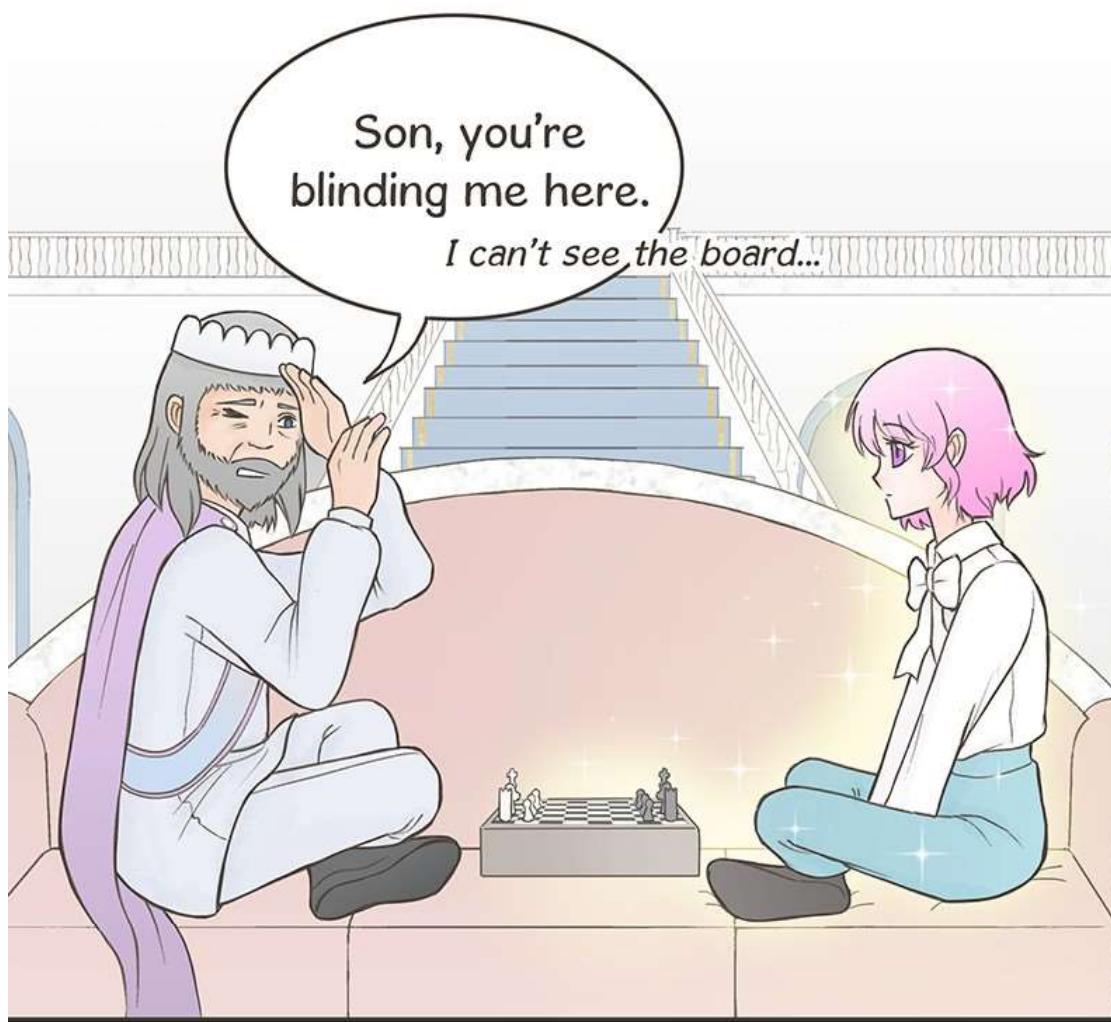

A few  
minutes ago.  
Wanna play  
chess?

Uh, sure.
